#### **COVIDSafe App**

The COVIDSafe app speeds up contacting people exposed to coronavirus (COVID-19). This helps us support and protect you, your friends and family. Please read the content on this page before downloading.

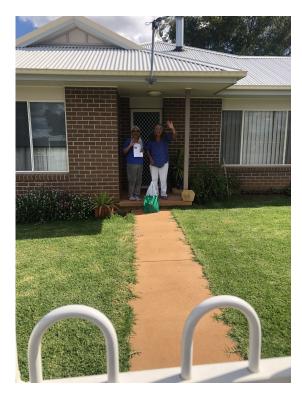

#### **GGAC Care Packages**

During the week Gunida Gunyah staff delivered a large number of care packages across the region to our clients. These care packages included some basic essentials that have been difficult to buy at the shops; staff did a knock and drop to avoid face to face contact. Staff had the opportunity to capture smiling faces as clients picked up their care packages from their door step, giving staff a wave and a thank you as we drove away.

If you or anyone you know is struggling in getting the essential grocery items please let us know and we will attempt to assist you.

#### **Materials**

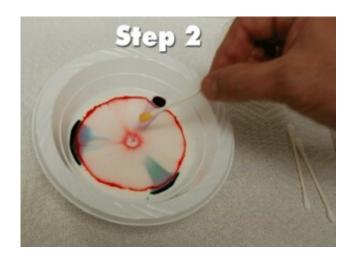

A bowl
% cup of milk
Dish soap
Cotton swab
Food Colouring,
more than one colour

#### Instructions

- I. Pour the milk into the bowl. Be careful not to move the bowl, you want the milk as still as possible.
  - 2. Put one drop of each color in different places in the milk.
  - 3. Put just a tiny amount of soap on the end of the cotton swab, then touch it to one of the colors. WOW!

    L. Let the experimenting begin!
- 5. To clean up, just pour the milk down the drain. (Do not drink it)
